In 1991, the seven-time platinum *Use Your Illusion I* and *Use Your Illusion II* occupied the top two spots of the *Billboard* Top 200 upon release. Over the course of the past decade, **Guns N’ Roses** have performed sold out shows and headlined festivals worldwide following the critically acclaimed release of 2008’s RIAA platinum-certified *Chinese Democracy*. Six studio albums later, Guns N’ Roses are one of the most important and influential acts in music history and continue to set the benchmark for live performances connecting with millions of fans across the globe.
